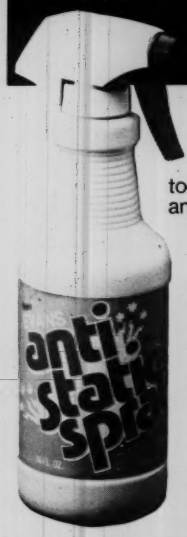
It's no SHOCK when Anti-Static works.



Static electricity can cause materials and equipment to stick together, attract dust and dirt, even shock when you least expect it.

But now, EVANS Anti-Static Spray eliminates these problems. Non-flammable, safe on any material, Anti-Static dries clear, will not stain or discolor.

Ideal for home, office and industrial uses. From textile manufacturing and paper printing to venetian blinds and carpets...in computer room and data processing operations and on socks and clothing.

Discover the sure-fire way to eliminate troublesome static electricity for good. Anti-Static is available now at only $3.95 per 16 oz. bottle, order catalog no. EAS16.
